The purpose of the sabbatical would be to provide a time of special renewal for the pastor that will bring personal nourishment to his/her soul, a deeper relationship with the Lord, and a clearer understanding of God's vision for the church. It is further recommended that this policy contain the following provisions.

 - 1. The length of the Sabbatical would be based on years of service (example: 7 weeks for 7 years of service)

3. Local churches are encouraged to support our denominationally recognized seminaries.

DISTRICT SUPERINTENDENT

State of the PSW Movement Update

June 1, 2022-May 31, 2023

It is the mission of the PSW Movement to create a culture where leaders and local churches can fulfill the Great Commission in the spirit of the Great Commandment

VISION 2025

- 100 New Faith Communities
- 120 New Missional Leaders
- Every church has an intentional and measurable disciple-making process
- Every church reports salvations and baptisms every year

Elements of a Movement

- Movements by definition are uncontrollable, but they can be guided
- Movements must be driven by the local faith communities
- Movements must have an agreed upon mission (Matt. 28:19-20)
- Movements are strategy-driven, but spirit-directed (Acts 16:6-10)
- Movements morph
- Movements need spirit-empowered leaders (both clergy and lay)

To the pastors, and faithful participants in the PSW Movement. It is fantastic to be gathering together again. The power of like-minded people coming together to celebrate what God has been doing in our midst is necessary for encouragement, empowerment, and engagement.

At last year's Conference I announced my retirement to take affect at the conclusion of this year's District Conference (2023). This has made the past year a time of transition for me, the DBA and the PSW Movement.

I have been investing much of my time preparing the PSW for new leadership in the District Superintendent role. A primary purpose for announcing my retirement a year out was to give the district leadership time.

The DBA did an extensive search for the next District Superintendent. They prayed much. Searched widely. They vetted well. They will be recommending to the conference Rev. Mike Skor as the next District Superintendent. I am very proud of the DBA and the work they have done.

DISTRICT TEAM

Barbara Anderson (Executive Assistant): During COVID we made the decision to no longer have a physical office. Barbara and I have been working remotely. This change has allowed for much more flexibility for each of us. This past year Barbara and Craig relocated to the state of Florida. This has allowed them to be close to grandkids. They have continued to serve the district well. In our new age of communication, she has been able to carry out her role very well. And, if you have not yet heard: SHE WILL CONTINUE IN HER ROLE AS EXECUTIVE ASSISTANT.

We also have digitized all the district files. We have all necessary records housed in the cloud. This has made access to pertinent material much easier.

Barbara enjoys working with our pastors. She provides our pastors with what is needed when it is needed. She is the conduit between the district office and local church leaders. She is the glue that sustains our movement initiatives.

Pastor Steve Babby (District Administrator): Pastor Steve has continued to be available with both advice and encouragement. His opinion is always honest and very helpful in navigating so many facets of the movement ministry.

He has played a major role in bringing in eight new Hispanic Churches. His tireless work with all the details surrounding the absorption of these churches has been incredible.

Dave Johnson (Assistant District Superintendent): He has been a great support to me, personally, and the district, generally. He oversees the District Board of Administration process with great insight and discernment.

He was the point man for the District Superintendent search. He coordinated the entire process. He worked alongside General Superintendent Wayne Schmidt in the search process. He did this while continuing to lead the DBMD Team and pastor his church (The River's Edge, Sacramento).

Dave, and his DBMD area leaders (Tim Kirkes, Central, CA; Chris Hughes, So Cal; Erica Farmer, AZ, and Chelsea Burke, Nor Cal), have done an outstanding job of encouraging those in the DBMD process. They have set a wonderful standard of accountability for each student.

Dave has also helped with property issues, training of leaders, working with Local Boards, and representing the district in a variety of outside connections.

Dave is genuinely a key partner in all we do to run after mission fulfillment. His theological and doctrinal expertise has been an incredible help in navigating key issues.

Brian Wilbur (Treasurer): He has done an outstanding job in updating our financial reporting and accounting systems. He does so much behind the scenes to keep the movement financially accountable.

He, along with Dave, did a great deal of footwork on the DS transition. He has been a tremendous friend and ministry colleague.

Brian not only serves the district well, but he is actively engaged in ministry at Village Church, SD.

Tim Kirkes (District secretary): He understands the importance of record keeping. He knows the organizational details we must adhere to. He brings a discerning spirit, and keen insights to the total overall movement. His grasp on polity and process is stellar. He is so good at helping me remember details of polity and application of The Discipline. He has been my "go to" person for all things Discipline.

In addition to serving the PSW Movement in this manner, he also serves on the DBMD as the Central Area Director and Secretary. He leads Hilltop Church, San Dimas, CA.

DISTRICT BOARD OF ADMINISTRATION

I am grateful to this group of leaders who pulled up alongside me this past year to both lead the district well while at the same time doing the search process for a new District Superintendent.

The DBA lay members-at-large: Connie Rollins, In Kim, Ken Brown, Joyce Howell, Heather Rosson, and Elizabeth Holmes; Ministerial members-at-large: Chris Hughes, Chris Snider, Kevin Pagano, Scott Stevenson, and Able Ledezma

This team did a stellar job of casting a wide net to find the next leader for the PSW Movement. Through prayer, interviewing, following up on references they came to an unanimous agreement on who to recommend to the Conference.

This year the following will complete their three-year tenure and will transition off: Connie Rollins, In Kim, Chris Hughes, and Chris Snider.

PASTORAL TRANSITIONS

Mark Parsons will be retiring at the end of June 2023. Mark and his wife Karen have led New Life, Tucson for many years.

CHURCHES

All churches have lifecycles, and, unfortunately, one of our faith communities came to the completion of theirs: Chester Wesleyan Church

Antioch Wesleyan Church called Ian Ahlstrom to lead them in their next season of growth and Great Commission effectiveness. It is wonderful having Ian & Megan as part of the PSW Movement Team

Christian Faith Fellowship, Tucson has begun a video venue in Sedona, AZ.

New Life, Tucson has called Kyle Barber to lead them. Kyle is a graduate of our Emerging Leader Network. He and his wife, Malinda, along with their new son, Levi, will begin July 1.

Skyline Church opened their Tempe, AZ campus. Tevin Lucas is the Campus Pastor. He is doing an outstanding job of making inroads onto the Arizona State University Campus.

Chester, New Hope CC: In death often comes life. We closed Chester Wesleyan in October of 2022. Then God raised up Doug and Bonnie Brower to relocate to Chester and launch a new faith community, New Hope CC. They are using the former Chester Wesleyan building. This new work launched on Easter Sunday 2023.

Norwalk Christian Fellowship, under the leadership of Jofre Lumahan, started two new churches this year. They are sponsoring New Beginnings, in the Los Angeles area and beginning a brand new work in Las Vegas.

MULTIPLYING DISCIPLES

The PSW is a movement grounded in multiplication. It begins with the multiplication of disciples. The C.O.R.E. of disciple-making is to develop a process for helping Christ-followers **Consistently** connect with God; **Obedience** to the Spirit; **Reflect** Biblical values in our lifestyles; **Engage** in the mission of Jesus. This CORE will help us develop life-long followers of Jesus.

Each of our churches must continue to ask: What is a disciple? What are we doing to build a disciple-making culture in our church? How effective is our process for making disciples?

MULTIPLYING LEADERS

The multiplication of leaders is achieved through a variety of delivery systems. I have continued to invest time in our Lead Pastors through **Leadership Connection**.

The purpose of Leadership Connection:

- Deeper connection between leaders
- Building relationships of trust & transparency
- Peer learning
- Personal growth
- Increased ministry effectiveness
- Sharing resources
- Life-transformation

MULTIPLYING CHURCHES: 100 by 2025

Cody Bren has been leading our church multiplication emphasis for the past several years. He helps recruit and vet church planters. He exposes the PSW Leaders to multiplication through Exponential each year. He coaches churches in the strategies and processes to plant churches.

Ultimately, however, it is about local churches planting churches. It is never about the size of the church, but the size of the church's heart for mission.

I mentioned Norwalk Christian Fellowship earlier in my report. This is not a numerically large congregation. What they are is a congregation that has a large heart for Kingdom expansion. In addition to the two churches they are starting this year, over the years they have planted a church in Northern California, and seven churches in the Philippines.

What might you do to help start a new faith community?

I am grateful for the PSW Movement local leaders who continue to grasp and pursue the fulfillment of the **Great Commission in the spirit of the Great Commandment**. It is a joy to see how spirit led leaders use all kinds of methods to multiply DISCIPLES, LEADERS, and CHURCHES.

CONCLUSION

Joni and I would like to thank you all for allowing us to serve you as DS these past 8 years. It has been a time of challenges, accomplishments, unexpected turns, and great celebrations.

We have had a front row seat to God's work in our movement. People coming to Christ. People being baptized. Churches being planted. Leaders being developed.

Looking back we see the faithfulness of God. He has blessed us beyond measure. The experiences we have had were incredible. We were privileged to build off the solid foundation laid by Pastor Steve Babby.

We are thrilled to hand the baton off to Mike & Kiley Skor. They will lead you into greater effectiveness. I parrot what the late Ira Shanonfelt always said to me when I was a young leader, "The best is yet to come!" And I believe that for the PSW Movement.

People have asked, as they do anyone who is leaving a role, what will you miss? The main thing is the leaders of the PSW Movement. You have poured into us. Allowed us to grow along with you. You have believed in the mission to multiply DISCIPLES, LEADERS, and CHURCHES. Thank you!

I am excited for the future of the PSW Movement. You will be calling a leader in Mike Skor who understands church growth and church multiplication. He has a heart for both and models them.

Most importantly his heart breaks for lost people. He is driven by the passion to see more and more people come into the Kingdom. He wants to see all kinds of methods used to reach all kinds of people in all kinds of places to glorify God.

This is the business we are in. This is the clarion call of God's word. This is why Jesus came. We are to run with reckless abandon after Great Commission initiatives. Mike will lead you well in this pursuit!

We leave you with this

May the Lord bless you and protect you.

May the Lord smile on you and be gracious to you.

May the Lord show you his favor and give you his peace.

Numbers 6:24-26

Believing in you,
Phil Stevenson
District Superintendent

ASSISTANT DISTRICT SUPERINTENDENT
June 1, 2022—May 31, 2023

Rev. Dr. Wayne Schmidt, Dr. Phil Stevenson, DS Elect Rev. Michael Skor, Pastors, delegates and friends assembled for the Thirty Third Annual Conference of the Pacific Southwest District of the Wesleyan Church.

I first want to extend a thank you to all of the excellent clergy and lay members who make up our District Board of Ministerial Development. The DBMD serves not only to develop people whom God has called into ministry but to be the theological stewards of our movement. It is the job of the DBMD to ensure that our movement will continue in theological orthodoxy for years to come.

Aside from leading the DBMD I also function as the vice chair of the DBA and the chair of the search committee for a district superintendent when there is a vacancy. It was my honor to work alongside Dr. Wayne Schmidt in the selection process for a new DS. Our board spent countless hours praying and strategizing on what the next steps for our district might be. I want to thank the entire DBA for their work in selecting Mike Skor as the new DS Elect for the PSW. I want to thank Rev. Chris Snider who shepherded the DBA through the search through prayer. Chris helped keep prayer front in center each week leading up to the DS interviews and each week leading up to the conference. While we had many wonderful candidates, we are confident that the Spirit of God pointed out Pastor Mike to us as our next DS.

This year is our first as the DBMD implementing the new permanent licensed minister status. We have had many students change their credentialing track. Our DBMD has chosen to give the full ordination exam to these students as, “permanent licensed ministry” means that when done they will no longer be under the care of the DBMD.

Our district has a vision to launch 100 new faith communities by 2025. In order for this to become a reality we have figured that we need to raise up 120 new missional leaders. I want to challenge all churches here to take seriously the need to speak on what it means to be called by God into ministry. I want to challenge you to do this at least one Sunday per year and hopefully even more than that. God is doing work that none of us can see, offering the invitation to respond to God’s calling is just what your church has been waiting for.

It is a great honor to serve the Pacific Southwest District under the gifted leadership of Phil Stevenson, who places utmost value on being led by Biblical principles and the Holy Spirit. Our district will forever be grateful for the work of Dr. Phil Stevenson in superintending this movement of God. He has been a gifted leader who has forcefully advanced the kingdom of God and the PSW is better for having his leadership these past years

Respectfully Submitted

Rev. David Johnson, Assistant District Superintendent
Chairman, Executive Committee of the DBMD

AUDITOR'S REPORT

Financial Review Fiscal Year June 1, 2022 – May 31, 2023

Executive Summary

This audit report was created in response to a request to audit the Pacific Southwestern District of the Wesleyan Church District Treasurer's financial practices and records for the fiscal year of 2022-2023. The audit consensus is that the transactions in Quickbooks are generally accurate and the books are in acceptable standing with no evidence of fraud or theft. After review there are general recommendations to restructure the Balance Sheet to supply better and more accurate reporting, as well as invest in training for the current record-keeper in order to continue and enhance accurate bookkeeping.

Findings:

After a review of the 2022-2023 fiscal year of the current Quickbooks file as well as the accompanying Excel Spreadsheets used for monthly financial reporting, my findings are as follows:

- **Income Statement (Profit & Loss)**

The income statement reflected income and expenses accurately and many of the recommendations from last year were implemented and followed to create more accurate reporting. The Income Statement was found to be in good standing.

- **Balance Sheet**

After a thorough review of the Balance Sheet it was determined that the balance sheet is represented fairly with correct bank balances, but does need corrections in order to accurately reflect the true assets, and liabilities of the District. The equity portion of the balance sheet should be adjusted to show no equity, with the exception of retained earning and net income from current year, and should only reflect assets and liabilities retained by the organization, as is standard for non-profit organizations.

Recommendations

Recommendations to correct any deficiencies found in the Pacific Southwest District of the Wesleyan Church bookkeeping are as follows:

- Reconcile all bank accounts, credit cards, and loans according to the source document (bank statements) monthly to verify accuracy of transaction reporting.
- Remove unnecessary equity accounts used for fund tracking/allocation and instead move to Income statement for proper income or expense reporting in Quickbooks Desktop.

- For accurate cash flow reports, re-figure the cash flow spreadsheet to mimic what income is received and exactly what expenditures are spent out of the bank account, as the current report overstates expenses and uses an adjustment to reconcile the transactions with the bank balance. This would also help with financials projections on a monthly-yearly basis help immensely with financial planning for the fiscal year.

Conclusion

In conclusion, based on a thorough review of the Quickbooks file and the monthly excel financial reports the 2022-2023 fiscal year bookkeeping has been completed with general accuracy. As stated earlier, there is no evidence of fraud or misuse of money in any form. However, recommendations have been given in order to increase the accuracy of reporting, ensure adherence to proper accounting practices, and to decrease inefficiency and redundancy of accounting information. Overall, implementing these recommendations will continue to further the District's good standing in their accounting practices.

Thank you for providing me with the opportunity to serve. If you have any questions or concerns, please feel free to contact me at any point in time.

DISTRICT ADMINISTRATOR
June 1, 2022 – May 31, 2023

This has been a very unusual year with the announced retirement of our District Superintendent Phil Stevenson and the DBA search for new district superintendent. With so much going on – The Lord has been gracious to our district and to me.

Over the last eight years, I have greatly enjoyed ministering and working with Phil. His makes very clear assignments as to what needs to be accomplished with definite deadlines. He has allowed me freedom to continue to work on projects with pastors and churches – some that were begun when I was district superintendent. The goal was always what is best for the local church and doing everything right and first class. Over and over again, he demonstrated his love for me and my family. I will miss working with him!

What a privilege to be able to minister full-time (46 years) and part-time (8 years) for 54 consecutive years either at/or both Skyline Church and the Pacific Southwest District. This is a blessing that I never imagined when I first started attending Skyline Church as a freshmen in college (1962). Thank you so much for your trust in me – every position has been somewhat of a challenge but serving the Lord with you is the best!

This year I have completed nearly all assignments given to me by District Superintendent Phil Stevenson. Some are still in process but the resolution of these items should come soon. I have been faithful to attend district events including DBA meetings.

My primary work for the district this year has been processing the churches from Distrito Hispano Suroeste back into our district. I have known most of the pastors for years and was very familiar with the church properties. All of the properties except one were previously a church property on our district. Working through the title and legal system has been a challenge and I write this – the work is about over. Please continue to be prayer for these churches and their pastors.

Barbara and I were married for nearly 52 years before she went to be with the Lord in April 2020. As you would expect, I greatly miss her – she was so terrific! My apartment is at Covenant Living at Mount Miguel about 4 miles from Skyline. This is a tremendous retirement community that meets all of my needs especially since I have lived in Spring Valley or La Mesa since 1952.

Thank you so much for your prayers and words of encouragement.

Your Friend,

Stephen F. Babby,
District Administrator

MULTIPLIERS DISTRICT REPORT

June 1, 2022-May 31, 2023

Dear Members of the Pacific Southwest District of the Wesleyan Church,

It is with great excitement that I share with you the state of Church planting in our district. This year, we have committed to supporting six new Church plants so far in FY 23-24. These church plants are reaching the lost in new communities for Jesus and we are so grateful for their openness, readiness, and bravery all for the sake of the Kingdom.

I want to take this opportunity to encourage each and every one of you to continue looking for ways to support these types of initiatives. If your church isn't able to plant, ask a church planter in your area if you can pray for them. Form relationships with these often-younger leaders. Your words and encouragements do so much toward keeping these multipliers eyes fixed on Jesus.

As we move forward, let us remember that our work is not yet done. There are still so many communities in our district that are in need of the love and support that only a Church community can provide. With your continued support and hard work, we can keep making a lasting impact on the lives of those around us and help bring more people into the loving arms of our Jesus.

Thank you for your invaluable support towards this crucial endeavor. Let us persist in prioritizing our vision to create a culture where leaders and local churches can fulfill the Great Commission in the spirit of the Great Commandment.

Your Multiplication Director,

Cody Bren

MISSIONS DISTRICT REPORT June 1, 2022-May 31, 2023

While we continue to grapple with a post pandemic, post lockdown world our missionaries have continued in their respective missions. To that end we are just now starting to regain some sense of normalcy as we endeavor to partner with them in what God has put on their hearts.

We are still waiting to conclude the PSW's second two year "Global Outreach Initiative," in which we are partnering with longtime PSW missionary, our own Nicky Penya, and the Instituto Bíblico Peregrino (the Bible College she works with), to provide spiritual development conferences and seminars to pastors and ministry leaders in the Wesleyan church in Mexico, but we are finally getting the green light to being planning again.

As has been the case since the lockdown, our strategy continues to be to simply try our best to stay in contact with our Global Partners missionaries and meet any immediate or emergency needs they may have.

We have begun again talking needs and short terms mission trips with our partners overseas and while simultaneously looking for partners and times to begin the scheduling of conferences in Mexico.

The goal of our current initiative is to provide quarterly spiritual development/leadership development conferences in Mexico utilizing our own PSW pastors, ministry leaders, and ministry professionals in their areas of experience and expertise. The need for leaders is great in the Mexican Church is great and the need to educate those leaders is even greater! It's always exciting to see the PSW play a part in what God is doing globally as we sew our gifts and expertise into the development of pastors and leaders in Mexico.

Finally, we continue have a vision that every PSW church will support at least one of our PSW missionaries. In addition, as international travel becomes possible again, we would like to help every church facilitate missions trips to meet and support our missionaries. Currently we have no trips planned, but we are looking forward to planning trips to the Czech Republic, India, Mexico, and possibly the Philippines. Please let me know if you'd like more information on these trips, how to begin a Global Outreach program at your church, or how to plan your own trip.

If you would like information or help on how to set up a short term mission or missions program, or simply want to join on an overseas STMT, we are hosting a lunch during the lunch hour to provide any info you may need and answer any questions you may have.

District Youth Report June 1, 2022-May 31, 2023

For the past 13 years of my life, God has shown me that the call into fulltime ministry is more than a job, position, or title, but about making effective disciples who in return make a disciple. Outside of our job positions and roles within the church, how are we effectively discipling someone? One of the things that is very clear in the lives of our youth is that they along with many adults don't have years of walking with Jesus, learning Grace and Forgiveness firsthand while watching us study scripture and live it out. A prayer I have had for the youth of the Pacific Southwest Movement is that leaders begin to share in their faith, to the younger generation, and that students would begin the foundation of a lifetime of walking with Jesus. This starts with acknowledging the need..... students need an introduction to Jesus and begin a relationship that will last eternity.

Last year's youth camp hosted in Northern California was exactly what was needed in the post pandemic culture of our youth. We wanted to be sure and let you know how much God moved in the lives of students, leaders, counselors, band and our guest speaker. We had 129 students, 32 counselors, along with the best staff and team who served Jesus and people with every fiber of their being. In this one week with Jesus there were over 50 rededications to Christ, 35 baptisms, and 15 salvations. Our camp speaker Jeff Smith not only spoke truth, but he also brought the word and the hope of Jesus to this group! As for this year, the 2023 summer Camp is being lead and taken over by Mackenzie Dodd with Faith Legacy Church; she and the team will continue to lead, inspire, and bring the youth to a week filled with the Holy Spirit.

I have been so encouraged by your stories and want to encourage those that have stepped into their first season of youth ministry; the generation that you are investing and pouring into is the generation that will take your place in a few short years, they are the next youth leaders and pastors. Because of your exemplary living and leadership, you will encourage their growth. As a prayerful, worshipful, Godly, and trusting Pastor you will ignite the fire in them and create sustained followers and preachers of the Gospel. For those that have been in youth ministry for years, let me start by saying thank you for continuing to be the example for the ones being brought up, thank you for not giving up because youth ministry is hard, exhausting, and overall, sometimes just underappreciated. I would also ask you to take time and reflect on the investments you've made these last years, although they may not be noticed for quite a while, the investments you are making in each student and each leader will impact them for a lifetime.

Lastly, I would like to inform you all that the 2022 -2023 year, is my last year in the position as District Youth President. These last 6 years has been both an honor and privilege to serve as an encourager, kingdom builder, and implementer for the youth and youth pastors of the PSW district. When I first stepped into this role, God had just given me a vision to help unite youth pastors across our district and in our cities, and believe that with the help and support of the PSW we were able to accomplish so much of this, and now my time has come to an end as the DYP and it is time for new younger leaders to step into this life changing and life giving role. Thank you for all the support and opportunities you have provided me over the years as the PSW DYP. I have truly enjoyed my time serving in this position and am grateful for the encouragement you have given me to pursue my personal and professional goals as a Pastor, Father, and follower of Christ.

He is survived by his loving wife of over 60 years, Carol Landrey; daughter, Dr. Angela J. (Landrey) Guta; son-in-law, Dr. Mihretu P. Guta; and grandson, Petros (Pete) Guta, 15 years old. He is also survived by his youngest brother, Reverend Dr. Jerald B. Landrey (Carolyn).

Lowell Downey

Lowell and Lois Downey, married for over 63 years, recently entered God's kingdom after 84 (Lowell) and 86 (Lois) years on Earth. Both devout children of God, Lowell and Lois spent their life spreading the word of the Lord to any and all who would here. They were adamant that God's love was for all and truly made that their life's work.

Married in 1958, Lowell and Lois would go on to raise 3 children: Lisa Marie (married to Jeff), Brent William, and Lowell Todd (married to Susan). They were also dearly beloved by their 8 grandchildren, and 4 great grandchildren.

In addition to 3 natural born children, Lowell and Lois fostered several children in their early years and adopted each into their hearts. Over the years as a family, we lived with love, in particular, for our long-term foster brother, Curtis Segundo, who was part of our family until he was reunited with his birth family on the Navajo Nation.

Lowell and Lois were faithful Shepherds in the Wesleyan district and pastored 6 churches during their 50 years in ministry. They loved the West and lived most of their married lives between Arizona and Colorado and short time in Ohio.

Post retirement from church ministry, Lowell was asked to develop a chaplaincy program for a large health system in Arizona. Embracing this new ministry, he coordinated spiritual care for people of all walks of life and faithfully served as Director of Chaplaincy for nearly 12 years.

In 2009, Lowell and Lois moved to Colorado. In Colorado, God revealed to Lowell and Lois, the need for toys at the Children's Hospital in Denver. As a result, they created, decorated and delivered over 1,500 wooden toys, all of which they prayed over, for the healing of each child who would receive their gift.

Lowell and Lois were apart from one another for a very short time on this Earth-Lois gained her Heavenly home on 11/17/2021, and Lowell followed soon thereafter on 7/15/2022.

The family of Lowell and Lois are honored to have been blessed with a wonderful set of parents, grandparents, and great-grandparents. God has richly blessed our family. To God be the glory for His faithfulness in their lives, and ours.
